United School District is a completely rural school district surrounding the city of Monmouth, IL. The conservative philosophy of the district has developed a well-disciplined school environment where students and teachers interact in a positive way with each other. The Board of Education and staff work together in order to make teaching at the United District a pleasure for both students and teachers alike. United Community Unit School District #304 is an equal opportunity employer. Applicants will not be discriminated against on account of race, color, national origin, age, sex or handicap.
