“BRINGING OUT OUR STUDENTS’ TALENTS”

UNITED HIGH SCHOOL

21st Century Community Learning Center Grant Program

Dear Parents, Guardians, and Students,

WELCOME BACK to another new school year! Hopefully everyone is settled into the school routine and is excited about the opportunities that we have here at United HS. This is a GREAT community with First Class Administrators and quality staff to help our students prepare for their choices after high school. I'm excited to be here for an extra year with our 21st Century Community Learning Center Grant and be a part of it.

B.O.O.S.T. Program has been providing services and programming, outside the normal school day hours for the past 5 years and we will continue to do so for another year. B.O.O.S.T. Program is available through a Federal Grant obtained by the Henderson, Knox, Mercer, Warren Counties Regional Office of Education #33. We enjoyed another successful summer program and kicked the school year off with our Freshman Back Pack Night for our incoming Freshman and their families. We have been offering both before and after school homework help as well as, Fitness Training since the first day of school and will be starting up our “enrichment” club activities very soon. We partnered with our Guidance Counselor, Kay Shaver, last week and hosted a very well attended Family Financial Aid Workshop Night last week. We also provide transportation back to both the West and North Campuses, Monday-Thursday nights. We offer all our services FREE of charge to our HS students and families. We are here for you!

Please don't hesitate to contact me with any suggestions or concerns. Let's have another Great YEAR!
