“BRINGING OUT OUR STUDENTS’ TALENTS”

UNITED HIGH SCHOOL

21st Century Community Learning Center Grant Program

Dear Parents/Guardians,

Hope everyone enjoyed the Holidays. January 2017 has been a smooth transition getting back into things and keeping those resolutions. I know my resolutions have been set aside and forgotten, as usual already. First semester grades went out a couple of weeks ago and we are now in full swing of second semester. Time is moving fast and midterm reports will be coming out very soon.

B.O.O.S.T. Program enjoyed a very successful first semester and we are looking forward to continued success this semester as well. We were able to offer many programs/activities for both our students, as well as our families. We have a lot of things planned for this semester and hope that you and your students are able to take advantage of our many opportunities. Homework Help/Tutoring will remain our number one priority, but will also continue to offer many enrichment opportunities for our students and a few Family fun and learning opportunities. We are still meeting Monday-Friday, before school 7-8AM and Monday-Thursday, after school 3-5:30PM. We are also looking at hosting another Family Painting Night in February with a Valentine theme. We are making some contacts to try and bring back Dave Ramsey’s “Financial Peace University” for our families also. More information and announcements will be made as we finalize some of the details.

I’m here to serve you and your students. Please don’t hesitate to contact me at the school by phone, (309)734-9411 or by e-mail, doug.dennison@u304.org. B.O.O.S.T. Program and United High School staff working together has and does make a positive difference. Remember, if help is needed...help is always available!
