NEW ISBE DISTRICT AND STATE REPORT CARDS ARE AVAILABLE ONLINE

The newly formatted ISBE district and school report cards are available on the district website. The report cards that are available are the At a Glance version of the new report cards. Parents wishing to see the full version of the newly formatted report cards may go to <http://illinoisreportcard.com/District.aspx?districtid=33094304026>. From there, click on the tab “Schools In District” to the building level report card you wish to review. For those parents who wish to view the new report cards but don’t have internet, paper copies of each building and the district report card are available in paper form. Anyone wishing to have a paper copy of any or all of the old version or the new version district or school report cards may contact the appropriate building office or the unit office at [\(309\) 734-9413](tel:3097349413). Paper copies of the district or school report cards will be mailed to stakeholders upon request.
