I. GENERAL INFORMATION

This handbook provides important information about United Senior High School. Students and parents should read this manual carefully and keep it as a reference. You are responsible for the material contained in this handbook. It has been structured to promote student progress as well as an interest of modeling appropriate school behavior. In addition, this handbook provides for the psychological and physical safety of the students through appropriate rules and regulations. Disciplinary responses may include but are not limited to the actions described in this handbook.

A. AFFILIATIONS AND ACCREDITATION OF UNITED SENIOR HIGH SCHOOL

1. Recognized by the State of Illinois through the Illinois Office of Education
2. Member of the Illinois High School Association

B. EQUAL EDUCATIONAL OPPORTUNITIES

Equal educational opportunities shall be available for all students without regard to race, color, national origin, ancestry, sex, ethnicity, language barrier, religious beliefs, physical and mental handicap or disability, economic and social conditions, or actual or potential marital or parental status. Any student may file a discrimination grievance by using the Uniform Grievance Procedure, which can be found in Part VI. U. of this Handbook.

Sex Equity

No student shall, on the basis of sex, be denied equal access to programs, activities, services or benefits, be limited in the exercise of any right, privilege, advantage, or denied equal access to educational and extracurricular programs and activities.

Any student may file a sex equity complaint by using the Uniform Grievance Procedure in Part VI.U. A student may appeal the Board of Education's (School Board) resolution of the complaint to the Regional Superintendent of Schools and, thereafter, to the State Superintendent of Education.

Constitutionally Protected Prayer

USHS will have no policy that prevents, limits, or otherwise denies participation in constitutionally protected prayer in public elementary and secondary schools.

C. SCHOOL CALENDAR AND SCHOOL DAY

A complete school calendar is maintained in the Principal's office and on the school website. All USHS events should first be approved by the Principal and then placed on the calendar well in advance.

The school day begins at 8:00 a.m. and ends at 2:58 p.m. Students are not to be in the building after 3:10 p.m. unless specifically requested to stay and directly supervised by a staff member.

D. EMERGENCY SCHOOL CLOSINGS AND EARLY DISMISSAL

Occasionally it may be necessary to cancel or dismiss school early due to inclement weather. A power failure, water system failure, or sewer failure may also necessitate an early dismissal of school. Families are encouraged to develop a plan in case of early dismissals.

Notice of all emergency dismissals and cancellations will be broadcast over the local radio stations. When the weather is threatening, turn on your radio to WMOI (97.7 FM), WRAM (1330 AM), WRMJ (102.3 FM) or TV channel eight for emergency dismissal times.

Any cancellation of games will be decided on an individual basis and will be broadcast on all local radio stations. A game may be played on the night of a day school was cancelled due to inclement weather at the discretion of the administration.

E. SCHOOL FEES

Textbooks are rented for a fee set by the District office every year.

USHS will provide the required padlock for both hall and physical education (PE) lockers. Students will be charged \$6 for locks not returned at the end of the year. Padlocks remain the property of the USHS and must be returned.

F. WAIVER OF SCHOOL FEES

You may be eligible for a waiver of student fees if you receive public aid; if your gross income is under that set out in the federal guidelines for free or reduced price lunches; or if you are otherwise able to establish that you cannot afford to pay these fees. Applications requesting waiver of fees should be submitted to the Superintendent. Forms for submission of such requests are available in the Principal's office. The use of false information to obtain such waiver is a felony under Illinois law. Any inquiries should be directed to the Superintendent.

G. REFUND POLICY

Refunds from the hot lunch program are issued at the end of the school year or when a student moves. No portion of the book rental fee is refunded to a student who moves during the school year.

H. SCHOOL LUNCH PROGRAM

USHS operates a school hot lunch program. Credit for meals is extended to students only with permission from the District office. See also section V (K) - "FREE AND REDUCED PRICE FOOD SERVICES".

I. ASBESTOS STATEMENT

During the summers of 1996 and 1997, 95% of all asbestos was removed from the South Campus school building. Remaining asbestos has been encapsulated and is inspected every six months.

J. PESTICIDE APPLICATION

The District periodically applies pesticides to maintain a pest-free school environment. If anyone wishes to be notified when pesticides are applied, please notify the Superintendent's office at (309) 734-9413.

K. INSURANCE

School accident insurance is available at no charge. When an accident occurs students should see the Superintendent or Principal to fill out a claim form. These forms are then sent home with the student for the parent/guardian and attending physician to complete and mail to the insurance company.

L. SCHOOL VISITATION RIGHTS ACT

The School Visitation Rights Act (SVRA) permits employed parents who are unable to meet educators due to a work conflict the right to an allotment of time during the school year to attend necessary educational or behavioral conferences at the school their student attends. Parent/guardian SVRA rights include the following:

1. Upon written request, employers must grant employees leave of up to eight hours per school year, not to exceed four hours in any given day, to attend their student's classroom activities or school conferences which cannot be scheduled during non-work hours.
2. For regularly scheduled, non-emergency visitations, the District will make time available for visitation during both regular school hours and evening hours.
3. The District will provide documentation to the parent/guardian of the time and date of each school visitation upon a parent/guardian's assertion of their rights under the SVRA.

II. ELIGIBILITY TO ATTEND USHS

A. ADMISSION REQUIREMENTS

All students must register for school each year on the dates and at the place designated by the Superintendent. Admission to USHS may be by completion of the 8th grade or by transfer of credits from another high school. All ninth graders and transfer students must undergo a complete physical examination prior to entering school. Students must also meet residence requirements established by the School Board.

Additionally, parents/guardians of students enrolling in the District for the first time must present a certified copy of the student's birth certificate. The school shall promptly make a copy of the certified copy for its records, place the copy in the student's temporary record, and return the original to the person enrolling the child. Upon the failure of a person enrolling a student to provide a copy of the student's birth certificate, the Principal shall immediately notify the local law enforcement agency and shall also notify the person enrolling the student in writing that, unless he or she complies within ten days, the case shall be referred to the local law enforcement authority for investigation. If compliance is not obtained within that ten day period, the Principal shall so

refer the case. The Principal shall immediately report to the local law enforcement authority any material received pursuant to this paragraph that appears inaccurate or suspicious in form or content.

B. TRANSFER STUDENTS

To be admitted to USHS a transferring student must produce proof of residence a completed Student Transfer Form from the student's previous Illinois public school district, including information about whether or not the student is in good standing and his or her medical records are up to date and complete. A transfer student who has been suspended or expelled from any public or private school previously attended will not be allowed to attend class at USHS until the suspension or expulsion has been completely served. Upon recommendation from the Superintendent, the School Board may allow the student to be considered for placement in an alternative school for the duration of the suspension or expulsion.

Any incoming student from a non-public school must provide proof of residence and information about prior school courses of instruction and grades received, as USHS school personnel may require.

Placement will be based upon the student's best interests in light of his or her performance on any necessary preadmission achievement tests and any other factors that may appropriately be considered.

III. ATTENDANCE

A. ATTENDANCE POLICY

Whoever has custody or control of any child between the ages of seven and 17 years old shall cause such child to attend some public school in the district in which the child resides the entire time it is in session during the regular school year, unless they attend a non-public school meeting requirements of state law. Students are required to be in attendance each day USHS is in session. The Principal will handle cases of chronic or habitual truancy in accordance with provisions of The School Code, including reporting such cases to the Regional Superintendent for possible prosecution and penalties.

B. MARRIAGE AND PREGNANCY

Marriage shall not disqualify any student from USHS attendance or participation in extracurricular activities. A pregnant student will remain in regular attendance unless a medical doctor makes a written request that the student be placed on homebound instruction. The student is expected to return to regular attendance one month following the birth of the child or at the discretion of the medical doctor.

C. REPORTING ABSENCES

When a student is absent, the student's parent/guardian shall call the office the day of the absence, or send a note with the student upon the student's return to school to notify the office of the reason

for the absence. Alternatively, the parent/guardian may call the office the day the student returns to school. An absence not reported in one of these ways will be counted as unexcused.

D. EXCUSED ABSENCES

Excused absences are those that occur with parent/guardian permission and/or prior administrative approval. Students will be given a full opportunity to make-up work (see below) missed due to an unforeseen excused absence. **Pre-arranged absences must be approved by the building principal at least 5 school days prior to leaving. Parents must provide a written request or contact the principal by phone. All work must be completed and turned in to the teacher ahead of time for pre-arranged absences unless other arrangements have been made with individual teachers. Students will receive a pre-arranged absence form to complete and return to the office before leaving for the missed days.** Examples of excused absences include but are not limited to those that occur due to:

1. Illness
2. Doctor or Dentist appointments
3. Death in family
4. School activities
5. Observance of a religious holiday
6. Emergencies beyond the control of the student as determined by the Principal
7. Family trips (with the permission of the of Principal 5 school days prior to leaving)
8. College day – see below

E. UNEXCUSED ABSENCES

Unexcused absences are those that occur without parent/guardian permission and/or prior administrative approval. Students will not be given the opportunity to make up work missed due to an unexcused absence, and disciplinary action may be taken. Examples of unexcused absences include but are not limited to:

1. Running errands
2. Lack of transportation due to vehicle repairs/problems
3. Oversleeping
4. Absence in excess of ten days without physician verification – see below
5. Senior or family photos
6. Shopping
7. Hair appointments

F. COLLEGE DAY

All college days must be arranged through the USHS school counselor. A student can have no more than one F on the most recent eligibility list to be eligible for a college visit day. Upon their return to school, they must present a note of verification signed by the admissions counselor of the college visited. The student will not be counted in attendance for a college visitation. Seniors may have two college visitation days. Juniors may have one college visitation day. Students are encouraged to visit colleges when school is not in session.

G. REQUIRED DOCTOR'S NOTE

A doctor's note may be required after ten absences from school. Where there is suspicion of contagious illness, the principal may require a doctor's permit for continued school attendance even though no absence is involved. If a student accumulates 10 absences for the school year, the building principal will send a letter to the parents requiring third-party documentation (doctor/dentist office, funeral home or a court officer) for each absence for the remainder of the school year beginning with the date on the letter. This documentation must be on official stationery, stating the date and time the student was at the office.

H. WORK, SPORTS AND ILLNESS

Students must be in attendance by 5th Hour (11:08 a.m.) of the school day in order to participate in an extracurricular event that evening unless documentation is presented from a doctor/dentist office, funeral home or a court officer. This rule also applies to a Friday absence in relation to a Saturday event. Students must have 150 instructional minutes to count as a half day for eligibility (IHSA).

I. SIGNING IN AND OUT OF THE OFFICE

Students who arrive after classes have begun or who leave before classes have finished for the day must sign in or out in the office immediately. The time and reason must be filled in accurately. Students who fail to report to the office may be assigned an unexcused tardy.

J. TARDY POLICY

Students are expected to arrive to school and to each class on time. Bus service is provided for students therefore, failure to arrive on time due to transportation problems is not a valid excuse. One detention will be served for every two times a student is tardy. Students who are tardy to class ten times will be assigned a Saturday detention.

K. MAKE-UP WORK

Teachers will provide make-up assignments and assist with make-up work for excused absences. One day of make-up is given for each day of absence. All work must be completed and turned in to the teacher ahead of time for a pre-arranged absence unless other arrangements have been made

with individual teachers. In the event of an out-of-school suspension, students are required to turn in all school assignments to teachers for credit on the day they return to school.

L. CLASSES ON ALTERNATIVE CAMPUS

Students who have permission to take courses at other schools (such as Monmouth-Roseville or Galesburg Area Vocational Center) are required to follow the calendar of that school. This may require the student to attend class on days that United CUSD #304 does not have school. The exception would be for a school closing due to inclement weather.

IV. TRANSPORTATION

□□ FREE TRANSPORTATION

The District provides free transportation for any student in the District who resides: (1) at a distance of one and one-half miles or more from his or her assigned school, unless the School Board has certified to the Illinois State Board of Education that adequate public transportation is available, or (2) within one and one-half miles from his or her assigned school, if walking to school or to a pick-up point or bus stop would constitute a serious hazard due to vehicular traffic or rail crossing, and adequate public transportation is not available. A student's parent(s)/guardian(s) may file a petition with the School Board requesting transportation due to the existence of a serious safety hazard. Free transportation service and vehicle adaptation is provided for a special education student if included in the student's individualized educational program. Non-public school students shall be transported in accordance with State law. Homeless students shall be transported in accordance with the McKinney-Vento Homeless Assistance Act.

Bus schedules and routes shall be determined by the Superintendent or designee and shall be altered only with the Superintendent or designee's approval and direction. In fixing the routes, the pick-up and discharge points should be as safe and convenient for students as possible.

No school employee may transport students in school or private vehicles unless authorized by the administration.

Every vehicle regularly used for the transportation of students must pass safety inspections in accordance with State law and Illinois Department of Transportation regulations. The strobe light on a school bus may be illuminated any time a bus is transporting one or more students. The Superintendent shall implement procedures in accordance with State law for accepting erratic driving reports.

Post-Trip Vehicle Inspection

The Superintendent or designee shall develop and implement a post-trip inspection procedure to ensure that the school bus driver is the last person leaving the bus and that no passenger is left behind or remains on the vehicle at the end of a route, work shift, or workday.

□□ SCHOOL BUS RULES

It is the District's objective to provide safe bus transportation for students eligible to ride the school buses. Students are granted the privilege of riding the school bus with the understanding that this privilege can be revoked if the student does not behave appropriately while he/she is on the bus or at the bus stop. Please note that students can only be transported within the boundaries of the District. Please remind your student of the consequences of unsafe, disruptive behavior on the bus, and understand that bus rules are aggressively enforced.

The bus driver will make a written report if these rules are violated. Repeated willful disobedience of the bus driver's directives, willful and/or repeated defacement of the bus or willful injury or threat of injury to the bus driver or another rider will be taken seriously. Any Bus Incident Report will be shared with the parent immediately.

□□ BUS MISCONDUCT

Gross disobedience or misconduct providing grounds for suspension from riding the school bus includes:

1. Prohibited student conduct as defined in the Student Discipline Code (see below).
2. Willful injury or threat of injury to a bus driver or to another rider.
3. Willful and/or repeated defacement of the bus.
4. Repeated use of profanity.
5. Repeated willful disobedience of the bus driver's or other supervisor's directives.
6. Such other behavior as the administration deems to threaten the safe operation of the bus and/or its occupants.

□□ STUDENT DRIVING AND PARKING

A student who holds a valid operator's license may drive to school. Students who drive are required to park their vehicles in the parking lot immediately upon arrival at school. Students may park their cars in the north or east parking lots and shall not enter their cars or drive until school is dismissed each day. The first row of the north parking lot is reserved for faculty and visitor parking. A reasonable and proper speed limit is to be observed on school property. Fast starts and show-off driving is prohibited. Vehicles on District property are subject to all District rules and regulations. Search of vehicles by school officials is permissible without the owner's permission and without a warrant when there is a reasonable suspicion the action is necessary to maintain school discipline, safety, or enforce school rules. Students are not allowed to loiter in the parking lot before or after school. Students may lose their driving/parking privilege on campus if they fail to follow driving regulations.

IV. ACADEMICS

A. GRADUATION REQUIREMENTS

Students must earn 22 credits to graduate, including the following course requirements:

- English – four credits
 - One credit from English 1 or English 1B
 - One credit from English 2 or English 2B
 - One credit from English 3 or English 3B
- Mathematics – three credits
 - One credit must be from Informal Geometry or Geometry
- Science – three credits (beginning with freshmen class of 2015)
 - One credit must be from a Biological science
 - One credit must be from a Physical science
 - One credit from a Science elective
- Social Studies – three credits
 - One credit must be from U.S. History
- Physical Education –4 credits
- Driver Education – ½ credit
 - Consumer Education – ½ credit
 - Health Education – ½ credit
- One credit chosen from music, art, foreign languages, or vocational education

Credits earned by students in attendance at other academic institutions accredited by a state board of education or The North Central Association will be allowed based on the evaluation of the student's transcript by the Principal. Transfer credits will be allowed based upon the amount of credit given for the same or similar course at USHS at the time the credit being transferred was earned by the incoming student. A transfer student who has successfully completed all of his/her previous course work elsewhere should generally expect to graduate in four years, but not earlier. A maximum of 6.5 transfer credits per year will be counted toward USHS graduation requirements. All courses accepted at USHS will be used to compute the student's grade point average (GPA).

USHS students may also earn a maximum of one credit per year towards graduation in any of the following ways:

1. Through a correspondence course from an educational institution which is approved by the North Central Association of Colleges and Secondary Schools;
2. Through any high school which is currently recognized and approved by the Illinois State Board of Education or from any high school recognized by the North Central Association of Colleges and Secondary Schools; or

3. Through any vocational school, junior college, college, or university which awards the Associate of Arts Degree or Bachelor's Degree.

No credit will be granted to any student for proficiency examinations, previous military experiences, or for any type of non-formal educational experiences.

In any case, only one unit of credit will be accepted toward graduation after a student has earned his/her last credit as an enrolled student at USHS. All courses taken for credit must be approved in writing by the administration prior to the beginning of the course.

Class standings include: Sophomore--5 credits, Junior--10 ½ credits and Senior--16 credits

B. EARLY GRADUATION

Students may exercise an option for early graduation. Students must complete all requirements for graduation as set under School Board policy. Students must also complete an early graduation form with the school counselor that includes input from parents, the school counselor, and the administration.

C. COURSE OFFERINGS

Complete course descriptions are available under separate cover in the USHS Curriculum Manual. Courses may also be taken for transfer of credit from other recognized high schools, junior colleges or colleges with permission of the Principal.

D. GRADING PROCEDURES

Grading periods are approximately nine weeks in length. There are two nine-week periods per semester. Each nine-week grade counts for ½ of the semester grade on a numerical basis. The numerical averages for the two nine-weeks are totaled and divided by two to determine the semester numerical average. The numerical average is then converted to the semester letter grade. Semester tests or projects will be conducted at the end of each semester and will count for a maximum of 20% of the semester grade.

Incomplete grades may be given. If the work is not made up in the specified time, an incomplete will be given for the course with no credit issued. No credit will be given for work not made up on time. An incomplete grade counts as one F in computing eligibility except in cases of extreme illness or unusual circumstances.

Report Cards

Report cards are issued on a nine-week schedule or four times during the school year. Parents are encouraged to contact the school when student progress is unsatisfactory.

Grading System

<u>Letter Grade</u>	<u>Percentage Range</u>
A	100-92
B	91-83

C	82-74
D	73-65
F	64-0

Weighted Grades

A weighted grading system is used at USHS to recognize and report differences in achievement and effort and to encourage students to take courses that challenge them to their highest academic potential. The goal is to help students develop academic skills to the fullest, to increase ACT scores, and to gain entrance to the best colleges possible.

Levels of courses include regular and honors. Grades earned will receive the following weights:

	A	B	C	D	F
Honors	5.0	4 1/3	3 2/3	3.0	0
Regular	4.0	3 1/3	2 2/3	2.0	0

The weighted grade values will be used to calculate the GPA. Rank in class will be determined from the rank order list of these averages.

HONORS courses require previous mastery of entry-level skills and emphasize in-depth analysis of the material, often of an abstract nature. The pace of the course is rapid. These college preparatory courses include self-directed study and research.

REGULAR courses are all those that do not have the special characteristics of either basic or honors courses. All classes carry a weight of four (4) with the following exceptions:

<u>Class</u>	<u>Weight</u>	<u>Class</u>	<u>Weight</u>
Algebra II	5	Biology II	5
Chemistry	5	Spanish IV	5
AP English	5	Sr. Comp	5
AP U.S. History	5	American Literature	5
AP Calculus	5	Microbiology	5
Physics	5	Chemistry II	5
Anatomy/Physiology	5	Economics	5
Pre-Calculus	5	Accounting 2	5

E. PASS/FAIL COURSES

A student is permitted to take one additional elective course (not a core course of math, science, English, history, or foreign language) in which credit is given for passing the course, but the course is not calculated as a part of the GPA. Six courses must be counted for the GPA. This is designed

to allow students to explore elective areas. The course must be designated pass/fail no later than four weeks into the semester. Students wishing to exercise this option must have a minimum cumulative grade point of 3.51. Students must earn at least the equivalent of a “C” grade to receive credit for a pass/fail course or the course will be added to the GPA.

F. OVERLOAD

A student may be permitted to take one additional class each semester. This would be in addition to the five academic classes plus PE that students are required to take. This option is open to freshman through senior students.

G. DUAL CREDIT COURSES

All dual credit course requests must be approved by the principal or counselor. Dual credit courses are the financial responsibility of the student, including books. Dual credit courses will be recorded as .5 credits per class for United High School and as a college credit as determined by the participating college. Any student planning on taking a dual credit class must be on track toward completing UHS graduation requirements. Any student taking dual credit classes will not be allowed to continue in the dual credit program if he/she earns a grade of D or F in the dual credit class. The dual credit course cannot be equivalent to a course currently offered at United High School. Any student planning to take a dual credit class must have a cumulative Grade Point Average of 3.2 or above and rank in the top 50% of the class.

H. HONOR ROLL SYSTEM

To be named to the High Honor Roll, students must achieve at least a GPA of 3.67 for the current grading period. The Honor Roll requires at least a 3.34 GPA. All courses are considered academic and are used in determining honor roll and class rank. Students eligible for the honor roll may not have any grades of “D” or “F”.

I. DRIVER EDUCATION ELIGIBILITY

The USHS driver’s education course is open to District residents who are at least 15 years old without regard to whether they are enrolled in any other course offered in public high school in the District. To be permitted to enroll in driver’s education, the resident must have received a passing grade in at least eight courses during the previous two semesters.

J. PHYSICAL EDUCATION

Students will participate in PE. Students are required to wear a gray shirt with black or red shorts having at least a seven-inch inseam. PE uniforms will be available for purchase.

K. PROGRAMS FOR STUDENTS AT RISK OF ACADEMIC FAILURE AND/OR DROPPING OUT OF SCHOOL AND GRADUATION INCENTIVES PROGRAM

The Superintendent or designee shall develop, maintain, and supervise a program for students at risk of academic failure or dropping out of school. The program shall include education and support services addressing individual learning styles, career development, and social needs, and may include:

- Parent-teacher conferences
- Counseling services by social workers and/or guidance counselors
- Counseling services by psychologists
- Psychological testing
- Truants' alternative and optional education program
- Alternative school placement
- Community agency services
- Alternative learning opportunities program, in conformity with the Alternative Learning Opportunities Law, as it may be amended from time to time
- Graduation incentives program

Any student below age 20 is eligible to enroll in a graduation incentives program if he/she:

1. Is considered a dropout according to State law;
2. Has been suspended or expelled;
3. Is pregnant or is a parent;
4. Has been assessed as chemically dependent; or 5. Is enrolled in a bilingual education or LEP program.

L. ENGLISH LANGUAGE LEARNERS

The District offers opportunities for resident English Language Learners to develop high levels of academic attainment in English and to meet the same academic content and student academic achievement standards that all students are expected to attain. The Superintendent or designee shall develop and maintain a program for English Language Learners that will:

1. Assist all English Language Learners to achieve English proficiency, facilitate effective communication in English, and encourage their full participation in school activities and programs as well as promote participation by their parents/guardians.
2. Appropriately identify students with limited English-speaking ability.
3. Comply with State law regarding the Transitional Bilingual Educational Program and Transitional Program of Instruction.
4. Comply with any applicable State and federal requirements for the receipt of grant money for English Language Learners and programs to serve them.
5. Determine the appropriate instructional program and environment for English Language Learners.

6. Annually assess the English proficiency of English Language Learners and monitor their progress in order to determine their readiness for a mainstream classroom environment.
7. Include English Language Learners in the District's student assessment program to measure their achievement in reading/language arts and mathematics, to the extent required by State and federal law.
8. Provide information to the parents/guardians of English Language Learners about: (1) the reasons for their child's identification as such, (2) their child's level of English proficiency, (3) the method of instruction to be used, (4) how the program will meet their child's needs, (5) specific exit requirements of the program, (6) how the program will meet their child's individualized education program, if applicable, and (7) information on parent/guardian rights. Parents/guardians of English Language Learners will be: (1) given an opportunity to provide input to the program, and (2) provided notification regarding their child's placement in, and information about, the District's English Language Learners programs.

V. POLICIES AND PROCEDURES

A. ACADEMIC DISHONESTY

Cheating and plagiarism are not acceptable at USHS. All students are expected to adhere to the highest standards of personal honesty in their work. Work that is presented for credit in all classes must be original.

Cheating is defined as using dishonest methods to gain an advantage. This includes any kind of secretive means of gaining information for use on quizzes, tests or homework.

Plagiarism is stealing and passing off the ideas and words of another as one's own, using a created production without crediting the source, or committing literary theft. For example, turning in a paper retrieved from any Internet source (either free or for a fee) or including information from an encyclopedia, book, textbook, website, database, etc., without citation is plagiarism. A paper is considered plagiarized if *any* part of it is taken from another source without proper attribution (citations).

Classroom teachers will determine whether cheating or plagiarism violations have occurred. Students who are caught cheating or copying will receive a zero (0) on the suspect assignment/test and disciplinary action. Repeat offenders will receive a zero (0) on the suspect assignment/test and may receive more severe disciplinary action.

B. BULLYING/ HARASSMENT

Bullying and harassment are detrimental to students and the educational process. Bullying/harassment includes any form of behavior that does physical, emotional, or psychological harm to someone else and/or urging others to engage in such conduct. Prohibited behavior may include, without limitation, the use of violence, force, noise, coercion, threats, intimidation, fear, bullying, name-calling, hazing or other comparable conduct.

Sexual Harassment

No person, including a District employee or agent, or student, shall harass or intimidate another student based upon a student's gender, color, race, religion, creed, ancestry, national origin, physical or mental disability, sexual orientation, or other protected group status. Also, no student, faculty or staff member should suffer such conduct. The District will not tolerate harassing or intimidating conduct, whether verbal, physical, or visual, that affects tangible benefits of education, that unreasonably interferes with a student's educational performance, or that creates an intimidating, hostile, or offensive educational environment. These may include but are not limited to:

1. Physical action such as hitting, kicking, grabbing, spitting and bumping;
2. Verbal action such as name-calling, derogatory slurs and noises;
3. Wearing or possessing items depicting hatred or prejudice;
4. Comments or conduct of a sexual nature; and
5. Indirect action such as spreading rumors.

Students who observe or experience such conduct should report it to the Principal and/or school counselor. An investigation will be conducted followed by appropriate discipline action. Such disciplinary action may include counseling, detention, suspension or expulsion. Law enforcement authorities may be notified. It is important to note that harassment does not depend on the intent of the perpetrator, but on the perception of the victim.

Sexting

Sexting involving United students is prohibited. The term "sexting" involves transmission of inappropriate photos or information over cell phones or computers. Anyone, regardless of age, sending nude pictures or video of a minor, can be charged with child pornography. If a person receives and keeps a nude picture or video of a minor they can be charged with possession of child pornography. Sending nude photos or videos electronically by computer or cell phone or possessing naked images of a minor, on a computer or cell phone is a felony offense. Any suspected violation of this policy will result in electronic equipment in question being confiscated and notification of law enforcement. If a student disables a phone to interfere with the investigation of an accusation involving cell phone use and refuses to restore it to working order, they will be charged with insubordination. The student will be suspended from school and activities. "Sexting" or possession, distribution, and or attempts to obtain pornography of any type on school property is prohibited.

C. CELL PHONES AND OTHER PORTABLE ELECTRONIC DEVICES

Students are not allowed to carry cell phones and other portable electronic devices with them between 7:55 a.m. and 2:58 p.m. on school days, but may keep them in their vehicles or lockers. Cell phones and other portable electronic devices should be turned off during the school day.

Students are not allowed to use cell phones and other portable electronic devices in school without approval from the building administrator or the office. Teachers will confiscate cell phones and portable electronic devices from students during and between classes. Students who refuse to turn over their cell phones and/or portable electronic device may be assigned a Saturday detention and may be referred to the office. Confiscated cell phones and portable electronic devices will be released to students at the end of the day. Students will receive a detention for a first offense and a Saturday detention or suspension for any additional offenses.

D. CLOSED CAMPUS

USHS has a closed campus. Students will not be excused from class for employment. Students will not be excused from a study hall, class, or during lunch to leave the campus except for prearranged medical, dental or court appointments, for a family funeral, or for an emergency.

E. CONDUCT ON DISTRICT PROPERTY AND AT SCHOOL-RELATED EVENTS

Students are to behave and conduct themselves in an appropriate manner at all times while at school at school-related events. They should not scuffle in the building, loiter in the restrooms, run in the halls, or throw paper on the floors. 10. Students who receive passes outside of the classroom must do directly to and from the destination in a timely manner. Students will lose their pass privileges if they make the choice to abuse passes.

F. CRIMINAL OFFENDER NOTIFICATION

The Principal or her designees shall inform parents/guardians about the availability of information concerning sex offenders during school registration and, if feasible, during parentteacher conferences. See the Sex Offender Community Notification Law, 730 ILCS 152/101 et seq., as amended by P.A. 94-994, eff. 1/1/07.

Parents/guardians may also seek information regarding criminal offenders via the Statewide Sex Offender Database (a/k/a Sex Offender Registry), at www.isp.state.il.us/sor, and the Statewide Child Murderer and Violent Offender Against Youth Database, at www.isp.state.il.us/cmvo/.

Any student who serves an out-of-school suspension or fails to serve Saturday detention during the school year will not be allowed to attend the next Homecoming dance or Prom. This begins anew at the conclusion of each Homecoming Dance or Prom held throughout the year. For example, a student who is suspended out-of-school after Homecoming will not be able to attend the next dance, which would be Prom. Students must be in attendance by 5th Hour (11:08 a.m.) on the Friday before Homecoming or Prom in order to attend the dance unless documentation is presented from a doctor/dentist office, funeral home or a court officer. Students must check in at Prom by 7 p.m. or they will not be admitted to the dance and their parents/guardians will be contacted.

The administration of USHS reserves the right to remove students for inappropriate dress or behavior. Formal attire is required at the Prom.

H. DRESS CODE

The administration and faculty of USHS have a legitimate educational interest in maintaining an orderly and productive environment. Modest, conservative clothing for school is appropriate. I. EDUCATION OF HOMELESS STUDENTS

Each child of a homeless individual and each homeless youth has equal access to the same free, appropriate public education, as provided to other children and youths, including a public preschool education. A “homeless child” is defined as provided in the McKinney Homeless Assistance Act and State law. The Superintendent shall act as or appoint a Liaison for Homeless Children to coordinate this policy’s implementation.

A homeless child may attend the District school that the child attended when permanently housed, or in which the child was last enrolled. A homeless child living in any District school’s attendance area may attend that school.

The Superintendent or designee shall review and revise rules or procedures that may act as barriers to the enrollment of homeless children and youths. In reviewing and revising such procedures, consideration shall be given to issues concerning transportation, immunization, residency, birth certificates, school records and other documentation, and guardianship.

Transportation shall be provided in accordance with the McKinney Homeless Assistance Act and State law. The Superintendent or designee shall give special attention to ensuring the enrollment and attendance of homeless children and youths who are not currently attending school. J. EDUCATION OF STUDENTS WITH DISABILITIES

The District shall provide a free appropriate public education in the least restrictive environment and necessary related services to all children with disabilities enrolled in the District, as required by the Individuals with Disabilities Education Act (IDEA) and federal at state implementing regulations, provisions of The School Code, Section 504 of the Rehabilitation Act of 1973, and the Americans With Disabilities Act. The term “children with disabilities,” as used in this policy, means children between ages 3 and 21 (inclusive) for whom it is determined that special education services are needed, in accordance with procedures described in the Illinois State Board of Education’s *Special Education* rules.

It is the intent of the District to ensure that students who are disabled within the definition of Section 504 of the Rehabilitation Act of 1973 are identified, evaluated, and provided with appropriate educational services. Students may be disabled within the meaning of Section 504 of the Rehabilitation Act even though they do not require services pursuant to the IDEA.

For students eligible for services under IDEA, the District shall follow procedures for identification, evaluation, placement, and delivery of services to children with disabilities provided in the Illinois State Board of Education’s *Special Education* rules. The District shall establish and implement a system of procedural safeguards for those students who are not eligible for services under IDEA, but, because of disability as defined by Section 504 of the Rehabilitation Act of 1973, need or are believed to need special instruction or related services. The safeguards shall cover students’ identification, evaluation, and educational placement. This system shall include notice, an opportunity for the student’s parent(s)/guardian(s) to examine relevant records, an impartial hearing with opportunity for participation by the student’s parent(s)/guardian(s), representation by counsel, and a review procedure. Behavioral Intervention procedures for students with disabilities are available on request.

The District may maintain membership in one or more cooperative associations of school districts that shall assist the District in fulfilling its obligations to the District's students with disabilities. If necessary, students may also be placed in nonpublic special education programs or education facilities.

Parent's Rights Under Section 504 of the Rehabilitation Act of 1973

The following is a description of the rights granted by federal law to students with disabilities. The intent of the law is to keep you fully informed concerning decisions about your child and to inform you of your rights if you disagree with any of these decisions. The School District does not discriminate on the basis of disability and will make every effort to coordinate efforts to comply with Section 504.

You have the right to:

1. Have your child take part in and receive benefits from public education programs without discrimination because of his/her disabling conditions.
2. Have the school district advise you of your rights under federal law.
3. Receive notice with respect to identification, evaluation, or placement of your child.
4. Have your child receive a free appropriate public education. This includes the right to be educated with non-disabled students to the maximum extent appropriate. It also includes the right to have the school district make reasonable accommodations to allow your child an equal opportunity to participate in school and school-related activities.

7. Have evaluation, educational, and placement decisions made based upon a variety of information sources, and by persons who know the students, the evaluation data, and placement options.
8. Have transportation provided to and from an alternative placement setting at no great cost to you than would be incurred if the student were placed in a program operated by the district.
9. Have your child be given an equal opportunity to participate in nonacademic and extracurricular activities offered by the district.
10. Examine all relevant records related to decisions regarding your child's identification, evaluation, educational program, and placement.

14. Request mediation or an impartial due process hearing related to decisions or actions regarding your child's identification, evaluation, educational program or placement. You and the student may take part in the hearing and have an attorney represent you.
15. Ask for payment of reasonable attorney fees if you are successful on your claim.
16. File a local grievance with the district 504 Coordinator, procedure follows.
17. Request a due process hearing with the district Superintendent, procedure follows.

Section 504 Grievance Procedures

The district has an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by regulations implementing Section 504 of the Rehabilitation Act of 1973. Section 504 states, "No otherwise qualified individual with a disability in the United States...shall, solely by reason of her or his disability, be excluded from the participation in, be denied benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance...."

Individual student, or parent/guardian on behalf of the student, who feel they have been discriminated against and have not been able to receive relief at the level of the alleged violation (with 504 Building Monitor and/or Building Administrator) may have a formal hearing on a complaint.

It is assumed that most complaints will be dealt with directly by the persons involved without resorting to the procedures described below. However, should that not be possible, a formal, written complaint may be filed.

1. A complaint should be filed in writing, containing the following information:
 - a. Name, address, and phone number of person making the complaint.
 - b. Whether the person represents an individual or a group.
 - c. Whether the person making the complaint has discussed the problem with the building monitor and/or building administrator.
 - d. A summary of the complaint and suggest solution.
2. A complaint should be filed within ten (10) days after the complainant becomes aware of the alleged violation.
3. An investigation, as appropriate, shall follow a filing of a complaint. A thorough investigation shall be conducted by the Section 504 District Coordinator. The coordinator shall afford all interested persons and/or their representatives an opportunity to submit evidence relevant to a complaint.
4. A written determination as to the validity of the complaint and a description of the resolution, if any, shall be issued by the District Section 504 Coordinator; a copy will be forwarded to the complainant and Superintendent of Schools no later than ten school days following the hearing.
5. Upon receipt of the written description regarding the validity of the complaint and description of the resolution, the complainant may request an impartial hearing. A hearing with the opportunity for participation by the person's parents/guardian and representation by counsel shall be conducted upon request.
6. The District Section 504 Coordinator shall maintain the files and records of any complaints filed within the District.
7. The right of a person to a prompt and equitable resolution of the complaint filed hereunder will not be impaired by the person's pursuit of other remedies, such as the filing of Section 504 complaint with the responsible person, department, or agency. Utilization of the grievance procedure is not a prerequisite to the pursuit of other remedies.

This procedure shall be construed to protect the substantive rights of interested persons, to meet appropriate due process standards, and to assure that the School District complies with Section 504 and implementing regulations.

Section 504 Due Process Hearing Procedure

An impartial due process hearing will be utilized to resolve differences involving the education of a Section 504 qualified student with a disability when such differences cannot be resolved by means of less formal procedure. In this instance, due process is defined as an opportunity to present objections and reasons for the objections to the decision and/or procedures of the school district regarding application of Section 504. A Section 504 due process hearing may be called at the request of the district or a parent, guardian, or surrogate of an affected student. The proceedings will be presided over and decided by an impartial hearing officer. Impartial hearing officer means a person selected to preside at a due process hearing to assure that the proper procedures are followed and to assure the protections of the rights of both parties.

1. The party requesting a hearing shall do so in writing. The request shall specify the reason(s) the hearing is being requested, and submitted to the Superintendent. Parents or district may initiate a due process hearing on a matter related to eligibility and related procedures, procedural safeguards, or provision of a free and appropriate public education.
2. Within five calendar days of the receipt of the request for the hearing, the district may request a list of impartial 504 hearing officers from the State Board of Education or may appoint a hearing officer at their discretion.
3. The district shall notify the requesting party of the appointment of the hearing officer within five calendar days.
4. The hearing shall be scheduled by the hearing officer within 15 calendar days.
5. The district and the parents shall have the right to present evidence and testimony relevant to the issue. The parties shall have the right to be represented at the hearing by legal counsel.
6. The hearing officer shall limit his/her decision to the issue or issues presented by the requesting party in their written request for the hearing. However, the parties may have the opportunity, at the discretion of the hearing officer, to amend their written request at any time. The hearing officer's decision must be written and shall include a summary of the evidence and testimony, and the reasons for the decision. The decision is to be based solely on the hearing officer's interpretation of the meaning or application of Section 504 of the Rehabilitation Act of 1973, as applies to the evidence and testimony presented. Any relief to be awarded by the hearing officer shall be limited to the individual student who is the subject of the hearing.
7. The hearing officer's decision will be made within a reasonable period of time following the conclusion of the hearing; ten calendar days shall be a reasonable time. The hearing officer shall send a copy of the decision to the parent/guardian and school district. Notification will include a statement that either party may appeal the decision within thirty days.
8. The decision of the hearing officer is binding on all parties concerned; it is subject only to judicial review.
9. The hearing will be provided at no cost to the parents/guardian.

K. FREE AND REDUCED PRICE FOOD SERVICES

The Superintendent shall be responsible for implementing the District's free and reduced-price food services policy and all applicable programs.

Eligibility Criteria and Selection of Children

A student's eligibility for free and reduced-price food services shall be determined by the income eligibility guidelines and, family-size income standards, set annually by the U.S. Department of Agriculture and distributed by the Illinois State Board of Education.

Notification

At the beginning of each school year, the District shall by letter notify students and their parents/guardians of: (1) eligibility requirements for free and reduced-price food service; (2) the application process; (3) the name and telephone number of a contact person for the program; and (4) other information required by federal law. The Superintendent shall provide the same information to: (1) informational media, the local unemployment office, and any major area employers contemplating layoffs; and (2) the District's website (if applicable), all school newsletters, or students' registration materials. Parents/guardians enrolling a child in the District for the first time, any time during the school year, shall receive the eligibility information.

Nondiscrimination Assurance

The District shall avoid publicly identifying students receiving free or reduced-price meals and shall use methods for collecting meal payments that prevent identification of children receiving assistance.

Appeal

A family may appeal the District's decision to deny an application for free and reduced-price food services or to terminate such services as outlined by the U.S. Department of Agriculture in 7 C.F.R. §245.7, Determining Eligibility for Free and Reduced-Price Meals and Free Milk in Schools. The Superintendent shall establish a hearing procedure for adverse eligibility decisions and provide a copy of them by mail to the family. The District may also use these procedures to challenge a child's continued eligibility for free or reduced-price meals or milk.

During an appeal, students previously receiving food service benefits shall not have their benefits terminated. Students who were denied benefits shall not receive benefits during the appeal.

The Superintendent shall keep on file for a period of three years a record of any appeals made and the hearing record. The District shall also maintain accurate and complete records showing the data and method used to determine the number of eligible students served free and reduced-price food services. These records shall be maintained for three years.

L. GRADUATION CEREMONY

Participation in the graduation ceremony is limited to those students who have completed the requirements for graduation by the end of the current year's first or second semester. Students wishing to participate in the graduation ceremony must attend all graduation practices. The administration and Board reserve the right to deny the privilege of participating in the graduation

ceremony to any student who violates school rules and/or procedures. Students who serve a ten-day out-of-school suspension during their senior year will not be eligible to participate in or attend the graduation ceremony.

- Walk at all times.
- Clean up your space after eating.
- No throwing of food.
- No sharing or trading of food for medical reasons.
- No popping of plastic ware.
- No student will be allowed to return to the classroom unescorted during the lunch period.

All staff is authorized to give consequences determined by the Principal when the above behavior guidelines are not followed.

O. PROTECTION OF SCHOOL PERSONNEL

The School Board authorizes school administrators to suspend or expel, depending upon the severity of the act, any District student who vandalizes personal property of school personnel at any time during the school year.

The School Board further authorizes the school administrators to recommend expulsion of any District student who engages in acts of physical violence against any school staff member at any time or place during the school year.

P. RECIPROCAL REPORTING PROCEDURES

To promote the safety and security of District staff, students, and school property, the School Board has authorized intergovernmental agreements with the following jurisdictions for reciprocal

reporting between the District and the respective local law enforcement authorities regarding criminal offenses committed by students:

Warren County Police, Mercer County Police, Monmouth Police, Alexis Police and the Illinois State Police

Q. SEARCH, SEIZURE AND INTERVIEWS OF STUDENTS BY SCHOOL AUTHORITIES

Search and Seizure

Students have legitimate expectations of privacy in their persons and in personal possessions they bring to school. However, because the school has a legitimate need to maintain an environment conducive to learning, school officials do not need a warrant before conducting a search or seizure. To maintain order and security in the schools, school authorities may inspect and search places and areas such as lockers, desks, parking lots, and other District property and equipment owned or controlled by the school, without notice to or the consent of the student, and without a search warrant when there is a reasonable suspicion that it will produce evidence of violation of the law or District rules. Where “outside” police officers initiate the search or seizure of a student for investigative purposes, probable cause and warrant requirements will be applied.

If a search conducted in accordance with this Section produces evidence that the student has violated or is violating the law, a local ordinance, or the District’s policies or rules, such evidence may be seized by school authorities and disciplinary action may be taken. School authorities may also turn over such evidence to law enforcement authorities. If a search is made and illegal items are found in a student’s locker, vehicle or personal effects, the student must take full responsibility.

Interviews

Although school authorities are charged with maintaining order and discipline in their schools, they are generally not acting as law enforcement agents and thus, are not required to administer *Miranda* warnings before questioning students. Where school authorities are not acting under the direction of the police, *Miranda* does not apply. When acting under the direction of the police, school authorities are required to obtain a parent’s or guardian’s permission before questioning a student and *Miranda* requirements may apply. When *Miranda* requirements do apply, law enforcement agents will administer the *Miranda* warnings.

Where acting on their own initiative and authority to further a proper educational environment at the school or at the request of school personnel (as opposed to acting upon the request of outside law enforcement authorities), school authorities who are investigating a school related incident or any incident which may have potential consequences for the safety of the students or employees at the school may interview students without obtaining permission from parents/guardians. Examples of incidents that may have potential consequences for the safety of students or employees at the school include, but are not limited to, the following:

1. Fights between students that may result in retaliation at school;

2. Threats made by a student against another student or employee at the school; 3. Gang related offenses such as assault, battery, and intimidation;
4. Possessing drugs or weapons while on school property.

R. INTERVIEWS OF STUDENTS BY LAW ENFORCEMENT AUTHORITIES

Interviews About School-Related Incidents

When a law enforcement authority seeks or is requested by school officials to interview a student at school about a school-related incident for law enforcement purposes, the following procedures shall apply:

1. The law enforcement agent shall upon arrival at the school contact the building principal or other designated school official, identify or confirm the student sought to be interviewed, and identify or confirm the reason(s) for the interview.
2. Unless the school has initiated the request for the interview, the school official shall make a written record of the law enforcement agent's request, including presentation of any legal process such as subpoenas or warrants.
3. The school official shall verify the identity of the law enforcement agent, if not known by the school official, by checking and photocopying the agent's picture identification card, unless the authority is in uniform.
4. When law enforcement authorities seek to interview a student, the school official shall, before allowing the law enforcement agent to interview the student, attempt to contact and obtain permission of the student's parent or guardian unless extenuating circumstances dictate that this not be done. Extenuating circumstances exist when, for example:
 - a. There is a risk that delay in proceeding with the interview may pose imminent danger to the health or safety of students, school employees, or other persons in the community.
 - b. The student's parent or parents are suspected of serious criminal activity or of co-involvement with the student in criminal activity.
 - c. Law enforcement authorities need to act promptly to prevent destruction of evidence of a serious crime, or flight from the jurisdiction by a person suspected of serious criminal activity.
5. All attempts to contact a student's parent(s)/guardian(s) will be documented.
6. If the student refuses to speak to law enforcement authorities, the interview may not proceed on school grounds.
7. If the parent/guardian conditions consent on being present, then absent exigent circumstances, the interview should be delayed until the parent/guardian arrives.

8. Absent an emergency or circumstances justifying other action, all interviews of students should be conducted in private, to avoid disrupting school, protect the student's privacy, and preserve the integrity of the investigation.
9. If the school official determines it is appropriate for law enforcement authorities to interview the student at school without the presence of a parent/guardian, the law enforcement agent must inform the student that if requested, the school official may remain in the room with the law enforcement agent and the student during the interview. School officials will document and take notes of all interviews of students by a law enforcement agent held in their presence.
10. If a law enforcement agent requests to interview a student as a non-suspect witness to a school related incident that occurred on or off school property, the school official may, but is not required to, permit such an interview without prior notification or consent of the parent/guardian. Such an interview shall be conditioned upon the law enforcement agent agreeing to notify the school official if the student becomes a suspect during the interview. Upon such notification, the school official will require that the interview cease and be conducted at the police department, or that it cease until notification and consent of a parent/guardian, unless extenuating circumstances exist.

Interviews About Non-School Related Matters

Absent extenuating circumstances (e.g., preventing destruction of evidence of a serious crime or preventing flight from the jurisdiction by a student suspected of serious criminal activity), interrogation of students by law enforcement authorities about matters unrelated to school will generally be conducted away from school after school hours. If a law enforcement agent wants to interview a student at school about a non-school related matter, the procedures outlined in above regarding interviews about school-related incidents shall apply.

S. INTERVIEWS AND EXAMINATIONS OF STUDENTS BY DCFS

School employees shall cooperate with the Illinois Department of Children and Family Services (DCFS) in identifying child abuse or neglect.

Interviews

If DCFS employees or local law enforcement authorities seek to interview at school a student suspected of being abused or neglected, they shall make a request to the Principal or to the principal's designee.

The District shall provide DCFS investigators and local law enforcement authorities reasonable access (without a court order) to a suspected victim of child abuse or neglect for the purpose of interviewing the student at school. The Principal or designee may insist upon his/her presence during the interview and condition the requested interview of the student at school on the Principal's or designee's presence during the interview.

An interview of the student at school shall be allowed upon presentation of a court order. If the interview takes place based upon a court order, the Principal or designee shall request a copy of

the order. The presence of the Principal or designee at the in-school interview shall be at the discretion of the DCFS employee(s) or law enforcement authorities.

After the interview has been conducted, the Principal or designee may notify the parent/guardian when appropriate (generally when the parent/guardian is not the subject of the investigation), of the fact that an interview was conducted, but cannot disclose any information about the interview.

Examinations

If DCFS employees or law enforcement authorities seek to physically examine or photograph at school a student suspected of being abused or neglected, they shall make a request to the Principal or the principal's designee and inform him/her of DCFS's intent to secure photographs during the interview.

The Principal or designee may grant the request if he/she believes there is a reasonable explanation (without a court order) for conducting the examination at school. The Principal's decision as to whether or not to grant the request shall take into consideration the sex of the student and of the examiner; the age, maturity and sensitivities of the student, including the student's willingness to be examined and/or photographed; and the location of the trauma and its seriousness. The presence of the Principal or designee at the examination and photographing shall be at the discretion of the DCFS or law enforcement agent. If the Principal or designee is present during the examination or photographing, they shall not participate in the examination or photographing of the student.

Examination or photographing of the student at school shall be allowed upon presentation of a court order or administrative subpoena. The presence of the Principal or designee at the photographing or examination shall be at the discretion of the DCFS employee or law enforcement agent. If the Principal or designee is present at the examination or photographing, he or she shall not participate in the examination or photographing of the student. If the examination or photographing takes place based upon a court order, the Principal or designee shall request a copy of the order.

The Principal or designee may notify the parent/guardian of the fact of the examination or photographing session after it has occurred, but cannot otherwise disclose information about the occurrence.

T. SKATEBOARDS, ROLLERBLADES, ETC.

Skateboards, roller blades, laser pointers and squirt guns are prohibited on school grounds. Such items will be confiscated.

U. UNIFORM GRIEVANCE PROCEDURE

Students, parents, guardians, employees, or community members should notify a District Complaint Manager if they believe that the School Board, its employees, or agents have violated their rights under the state or federal Constitution, state or federal statute, School Board policy, or if they have a complaint regarding:

1. Title II of the Americans with Disabilities Act;
2. Title IX of the Education Amendments of 1972;
3. Section 504 of the Rehabilitation Act of 1973;
4. Sexual harassment (Illinois Human Rights Act, Title VII of the Civil Rights Act of 1964, and Title IX of the Education Amendments of 1972);
5. The misuse of funds received for services to improve educational opportunities for educationally disadvantaged or deprived children; or
6. Curriculum, instructional materials, programs.

The Complaint Manager will attempt to address the complaint promptly and equitably. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and does not extend any filing deadline related to the pursuit of other remedies.

1. Filing a Complaint

A person (hereinafter Complainant) who wishes to avail himself or herself of this grievance procedure may do so by filing a complaint with any District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same sex. The Complaint Manager shall assist the Complainant as needed.

2. Investigation

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf. If the Complainant is a student, the Complaint Manager will notify his or her parent(s)/guardian(s) that they may attend any investigatory meetings in which their student is involved. The complaint and identity of the Complainant will not be disclosed except (1) as required by law or this policy, (2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant. The written report shall be filed with the School Board, which shall then render a decision in accordance with Section 3 of this policy. The Superintendent will keep the School Board informed of all complaints.

3. Decision and Appeal

After receipt of the Complaint Manager's report, the Superintendent shall render a written decision that shall be provided to the Complainant. If the Complainant is not satisfied with the decision, the Complainant may appeal it to the School Board by making a written request to the Complaint Manager. The Complaint Manager shall be responsible for promptly forwarding all materials relative to the complaint and appeal to the School Board. Thereafter, the School Board shall render a written decision that shall be provided to the

Complainant. This grievance procedure shall not be construed to create an independent right to a School Board hearing.

Students are expected to obey and behave with respect to those in authority, including the Principal, teachers, bus drivers, custodians, lunchroom workers, secretaries and teacher aides.

Acts of gross disobedience and misconduct by student while enrolled in USHS shall be the basis for detention, suspension, expulsion or other disciplinary action. These acts include but are not limited to such things as physically or verbally abusing a teacher, administrator or other student; criminal acts against the faculty, students or the school in general; continual misbehavior in the classroom or school; gross disrespect or insubordination to teachers, administrators or staff.

Saturday Detention. Saturday detentions are served from 8:00 a.m. to 12:00 noon. Any student arriving after 8:00 a.m. will not be admitted. Students are expected to use this time to complete school work or to study. In School Suspension (ISS). Students are removed from the regular school program and environment but are supervised within the school. They are not permitted to participate in any school activities on the day of suspension, and will be sent home with an out-of-school suspension if they do not cooperate with ISS procedures. In the case of a special education student, suspension procedures shall be implemented consistent with the federal Individuals with Disabilities Education Act (IDEA).

Any student who serves an OSS will not be allowed to attend the next dance (see dance policy). In addition, a student who receives a 10-day OSS during his or her senior year will not be allowed to participate in or attend the graduation ceremony. A student who is subject to OSS as provided in this section may be eligible for a transfer to an alternative school program. In the case of a special education student, suspension procedures shall be implemented consistent with the IDEA.

Expulsion. Administrators may recommend to the School Board that a student be expelled from school for a definite period of time not to exceed two calendar years as determined on a case-by-case basis. In the case of a special education student, expulsion shall be administered in a manner consistent with the IDEA. A student who is subject to expulsion as provided in this section may be eligible for a transfer to an alternative school program.

Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

Firearms, Knives, Brass Knuckles & Other Objects Used or Attempted to Be Used to Cause Harm

A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of not less than one year:

The expulsion period may be modified by the superintendent, and the superintendent's determination may be modified by the board on a case-by-case basis.

(2) A knife, brass knuckles or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including “look-alikes” of any firearm as defined above. The expulsion requirement may be modified by the superintendent, and the superintendent's determination may be modified by the board on a case-by-case basis.

Gang & Gang Activity

SCHOOL AUTHORITIES WHO MAY IMPOSE DISCIPLINE

Each teacher, and any other school employee when students are under his or her charge, is authorized to impose any disciplinary measure that is appropriate and consistent with Board policy and school rules. Suspensions and expulsions may only be imposed by administrators and authorized by the School Board. Teachers, other certificated educational employees and other persons providing a related service for a student may use reasonable force as needed to maintain safety for other students, school personnel, or other persons, or for the purpose of self-defense or defense of property. Teachers may remove students from a classroom for disruptive behavior.

The Superintendent, Assistant Superintendent, Principal, or Assistant Principal is authorized to impose the same disciplinary measures as teachers and may suspend students guilty of gross disobedience or misconduct from school, including all school functions.

DISCIPLINARY PROCEDURES

Reporting of Aggressive Behavior

When a student engages in aggressive behavior, the school will so notify the student's parent/guardian by letter.

Suspension Procedures

Before a student is suspended, school authorities will meet with the student to inform the student of the misconduct of which he or she is accused and will give the student an opportunity to respond to the charges.

Such a pre-suspension conference is not required and the student may be suspended immediately when the student's presence poses a continuing danger to persons or property or an ongoing threat of disruption to the educational process. In such cases, the notice and conference shall follow as soon as practicable.

Any suspension shall be reported promptly to the student's parent(s)/guardian(s), who will receive a written notice of the suspension stating the reasons for the suspension, including any school rule that was violated, and a notice of their right to a review of the suspension. A copy of the notice shall be given to the School Board.

Upon request of the parent(s)/guardian(s), a review of the suspension shall be conducted by the School Board or a hearing officer appointed by the School Board. At the review, the student's parent(s)/guardian(s) may appear and discuss the suspension with the School Board or its hearing officer and may be represented by counsel at their expense. After presentation of the evidence or receipt of the hearing officer's report, the Board shall take such action as it finds appropriate.

Expulsion Procedures

If a student is recommended to be expelled, school administrators will send the student and his or her parent(s)/guardian(s) a written request to appear at a hearing on the student's proposed expulsion. The request shall be sent by registered or certified mail, return receipt requested, and shall state:

1. The reasons for and proposed expulsion including the specific conduct rule(s) the student is charged with violating.
2. The proposed period (duration) of the expulsion.
3. The time, date, and place for the hearing.
4. A short description of the procedures that will be followed.
5. A statement indicating that The School Code allows the School Board to expel a student for a definite period of time not to exceed two calendar years, as determined on a case-by-case basis.
6. A request that the student or parent(s)/guardian(s) inform the District if the student will be represented by an attorney and, if so, the attorney's name.

Unless the student and parent(s)/guardian(s) indicate that they do not want a hearing or fail to appear at the designated time and place, the hearing will proceed. The hearing shall be conducted by the School Board, or a hearing officer appointed by the School Board. If a hearing officer is appointed, he or she shall report to the Board the evidence presented at the hearing and the Board shall take such final action as it finds appropriate.

During the expulsion hearing, the Board or its appointed hearing officer shall hear evidence concerning whether the student is guilty of the gross disobedience or misconduct as charged. The student and his or her parent(s)/guardian(s) may be represented by counsel at their expense, offer evidence, present witnesses, cross-examine witnesses who testify, and otherwise present reasons why the student should not be expelled. After presentation of the evidence or receipt of the hearing officer's report, the Board shall decide the issue of guilt and take such action as it finds appropriate.

A. DISCIPLINE OF SPECIAL EDUCATION STUDENTS

The District shall comply with the provisions of the IDEA when disciplining students who receive special education. No special education student shall be expelled if the student's particular act of gross disobedience or misconduct is a manifestation of his/her disability. Students whose gross disobedience or misconduct is not a manifestation of his/her disability may be expelled from school, except that he or she shall continue to receive educational services as provided in the IDEA during the period of expulsion. A special education student may be suspended up to 10 days per school year, in the aggregate. During any additional period of suspension, the student shall continue to receive educational services in accordance with the IDEA.

A special education student who has exceeded or is expected to exceed 10 days of suspension may be temporarily excluded from school by court order or by order of a duly appointed State of Illinois

hearing officer, if the District demonstrates that maintaining the student in his/her current placement is substantially likely to result in injury to the student or others.

A special education student who has carried a weapon to school or to a school function or who knowingly possesses or uses illegal drugs or sells or solicits the sale of a controlled substance while at school or a school function may be removed from his or her current placement. Such a student shall be placed in an appropriate interim alternative educational setting for no more than 45 days in accordance with the IDEA.

VII. PUPIL PERSONNEL SERVICES

A. GUIDANCE AND COUNSELING SERVICES

The District employs a school counselor to aid students in their academic, social, vocational and career development. Students are encouraged to use these services when seeking information or when problems occur. The counseling office issues periodic bulletins to inform students and parents of specific information such as ACT test dates, scholarships, etc. The Board of Education Policy Manual contains a complete description of these services.

B. HEALTH REQUIREMENTS AND SERVICES

Physical Examinations, Immunizations and Exclusion of Students

Physical examinations are required for children entering kindergarten, first grade, sixth grade and ninth grade, and for all students entering school in Illinois from another state. Physical examination forms are available in the USHS office and from your local physician. Students who do not comply with this requirement by October 15 of the current school year will not be allowed to attend school.

Illinois requires all public school students to be immunized against measles, rubella, polio, diphtheria, pertussis, tetanus and other communicable diseases. No child will be permitted to enroll without proof of immunizations.

Eye Examinations

Any student enrolling for the first time in a public, private or parochial school after January 1, 2008 must have an eye examination, to be recorded on forms prescribed by the Illinois Department of Public Health and the State Board of Education. Proof of having been examined by a physician licensed to practice medicine in all of its branches or by a licensed optometrist within the previous year must be presented before October 15. Parents/guardians who show an undue burden or a lack of access to a physician/optometrist may seek a waiver by contacting the District office.

Parents/guardians who object to any of the above health examinations and immunizations on religious grounds must provide the District with a signed statement detailing the grounds for their objection(s).

Exempting a student from health or eye examination does not exempt the student from participating in PE classes.

Hearing and Vision Screenings

USHS conducts hearing and vision screenings annually. These screenings are not a substitute for a complete hearing and vision evaluation by a doctor.

Illness or Injury During School

When an accident occurs, students should see the Superintendent or Principal to fill out an incident report form.

Administering Medication

Students should not take medication during school hours or school-related activities unless doing so is necessary for their health. When a student's licensed health care provider and parent/guardian believe it is absolutely necessary for a student to take medication during school hours, the parent/guardian must request that the school dispense the medication to their child under District procedures for dispensing medication.

Prescription and non-prescribed medication will not be administered until a "School Medication Authorization Form" is completed, including, if applicable, confirmation of the student's ability to self-administer medication for asthma and/or to use an epinephrine auto-injector (EpiPen®).

Parents/guardians are responsible to bring all medications to school and to pick up any unused medications.

Absent willful and wanton conduct, the District will incur no liability as a result of any injury or illness arising from a student's self-administration of medication or storage of medication by school personnel. All students 18 years old or older or their parent(s)/guardian(s) must indemnify and hold harmless the District, its employees and agents against claims arising out of a student's self-administration of medication including use of an EpiPen®, or storage of medication by school personnel. Nothing herein prohibits any school employee from providing emergency assistance to students, including administering medication.

Parent and student rights in regard to student records

Parent(s)/guardian(s), or a student who has become 18 years old ("eligible student"), have the right to:

1. Inspect and copy the student's education records within 15 days of the date the District receives a request that identifies the records which the parent or eligible student wishes to inspect. VIII. EXTRACURRICULAR CODE OF CONDUCT

This code establishes standards of conduct, expectations, and consequences governing all USHS teams or organizations, upholds the integrity of USHS, promotes positive citizenship among participants, and encourages a complete high school experience. Students are visible ambassadors of the District and community. This code supplements the standards of conduct generally applicable to students as set out in Part VII of this Handbook.

Extracurricular activities include all athletic teams, clubs, organizations, musical activities, cheerleading, speech and other academic teams.

A. **STUDENT ACTIVITIES**

All students are encouraged to participate in activities outside of the classroom. Students are required to meet prescribed scholastic eligibility standards in order to participate. Student activities currently scheduled at United School include:

ATHLETICS - Boys: football, golf, basketball, track, baseball, cross-country

Girls: volleyball, golf, basketball, track, softball, cross-country

DRAMA - High school play

MUSIC - Instrumental, vocal

CLUBS - Cheerleading, FFA, ICTM, Scholastic Bowl, Speech, Student Council and WYSE

B. **SCHOLASTIC ELIGIBILITY**

Weekly A student is considered ineligible for extracurricular activities if he/she is failing two classes. This eligibility is cumulative for the semester and runs Monday through Saturday of the week following the eligibility check.

Semester All students must be progressing toward graduation. Students who are failing two classes for the semester will be consider ineligible the following semester.

1. An athlete who is ineligible during this weekly check may be ineligible to participate in interscholastic contests the following week (Monday – Saturday).
2. A student who is ineligible for two consecutive weeks may be ineligible to participate in interscholastic contests the following week.
3. A student who is ineligible for three consecutive weeks may also be ineligible to practice.
4. A student who is ineligible for four consecutive weeks may be removed from the team.

An incomplete grade counts as one “F” in completing eligibility, except in cases of extreme illness or unusual circumstances. Students must be on track for graduation, based on credits, in order to remain eligible the following semester. The responsibility for counting credits, meeting graduation

requirements and all other eligibility requirements rests with the student and his/her parent/guardian.

C. INTERSCHOLASTIC PHILOSOPHY

USHS adheres to the guidelines for interscholastic competition of the Illinois High School Association (IHSA), which distinguish between interscholastic activities and intramural activities. During intramural activities every child is assured equal “court time.” In contrast, interscholastic activities carry no inherent right to receive playing time or position based solely on the virtue of team membership. Selection and playing time are afforded to those who, in the sole opinion of the coach, demonstrate the ability to contribute to the team or group’s chances for a winning effort.

D. CONCUSSION MANAGEMENT GUIDELINES--Policies for the management of concussion and head injury in youth sports

House Bill 200, which recognizes the dangers associated with head injury and concussion, became effective on July 1, 2011. The legislation also requires IHSA member schools to adopt a policy regarding student-athlete concussions and head injuries that is in compliance with the protocols, policies, and by-laws of the IHSA. Information on the school’s concussion and head injury policy must be a part of any agreement contract, code, or other written instrument that a school requires a student athlete and his or her parents or guardian to sign before participating in practice or interscholastic competition.

A student athlete who is suspected of sustaining a concussion or head injury in a practice or game shall be removed from participation or competition at that time.

A student athlete who has been removed from an interscholastic contest for a possible concussion or head injury cannot return to that contest unless cleared to do so by a physician licensed to practice medicine in all its branches in Illinois or a certified athletic trainer.

If not cleared to return to that contest, a student athlete cannot return to play or practice until the student athlete has provided his or her school with written clearance from a physician licensed to practice medicine in all its branches in Illinois or a certified athletic trainer working in conjunction with a physician licensed to practice medicine in all its branches in Illinois.

E. SPECIFIC EXPECTATIONS, OFFENSES AND ACTIONS

1. This code is in effect on a year round basis, including the summer.
2. Students must know and adhere to any training rules or standards of conduct established by their coach or sponsor.
3. Students must adhere to the highest standards of sportsmanship. Disciplinary action will be determined by the coach and/or administration for technical fouls or unsportsmanlike conduct.
4. Students must be in attendance by 5th Hour (11:08 a.m.) of the school day in order to participate in an extracurricular event that evening unless documentation is presented from a doctor/dentist office, funeral home or a court officer. This rule also applies to a Friday absence in relation to a Saturday event.

5. Students should not engage in activities that discredit themselves or the school, such as vandalism, theft, burglary, or conduct subject to criminal misdemeanor charges. A student who commits such misconduct may be excluded from extracurricular activities.
6. If a student is arrested and charged with a crime, the School Board may meet to consider whether to withdraw the privilege of participating in school-sponsored extracurricular activities or school-related activities.
7. Coaches will report any violation of the athletic code to the athletic director.
8. A student is not eligible to receive any awards for a season during which he or she was removed from the team by choice of the student, coach, or by reason of a penalty imposed under the athletic code.
9. Sunday practices and events are prohibited unless authorized by the School Board.
10. A contest or game may take place on the night of a day school is cancelled due to inclement weather, at the discretion of the administration.
11. Students exempt from practice for religious reasons will not be subject to discipline by the coach.
12. Students may be determined to be in violation of this code dealing with tobacco products, alcohol, controlled substance, including look-alike drugs if the participant:
 - a. Is arrested, convicted, pleads guilty, or admits taking, possessing, selling or distributing tobacco, alcohol or a controlled substance. A student who is charged becomes immediately ineligible to participate pending resolution of the charges.
 - b. Is under the influence or has partaken of tobacco, alcohol, or a controlled substance.
 - c. Is reported by his/her parent/guardian as taking, possession, selling or distributing tobacco, alcohol or a controlled substance.
13. A six month or year long suspension under the serious misconduct section of this code may be reduced by half if the participant enrolls in and successfully completes a rehabilitation program pre-approved by the administration. The expense for the program will be paid by the student.

F. SERIOUS MISCONDUCT

The following conduct is severe and will result in disciplinary action.

1. Possession, distribution, or influenced by tobacco or tobacco products.

1st offense Suspension for ¼ of the contests in the activity in which the student is currently engaged.

2nd offense Suspension for three months, not including summer vacation.

3rd offense Suspension for six months, not including summer vacation.

4th offense Terminate participation at USHS.

2. Possession, distribution, or influenced by alcohol.

1st offense Suspension for ¼ of the contests in the activity in which the student is currently engaged.

2nd offense Suspension for six months, not including summer vacation.

3rd offense Suspension for one calendar year.

4th offense Terminate participation at USHS.

3. Possession, distribution, or influenced by controlled substance including “look-alikes” and drug paraphernalia.

1st offense Suspension for six months, not including summer vacation.

2nd offense Suspension for one calendar year.

3rd offense Terminate participation at USHS.

4. All offenses are cumulative. This begins when a student enters the ninth grade.

5. If a violation occurs outside the season, the consequences imposed begin with the next season in which the student has traditionally participated. A season begins the first day of practice and ends with the last contest or event. For a first offense, if less than the percentage of forfeiture is available in the current season or activity, the remainder will be applied in the next sport or activity in which the student has traditionally practiced.

The number of contests for a first violation in each sport will be 25% of the number of games scheduled for that school year. The suspension will be for one game less than 25% when the calculation does not determine an even number.

**United Community Unit School District #304
Athletic Parent Code Of Conduct**

In accordance with the Illinois High Schools Association (IESA 2.090) and Illinois High School Association (IHSA 2.040) policies, it is the member school's responsibility to “take such measures as are necessary to ensure proper behavior on the part of their own students and spectators.” Parents are required to read and abide by the Athletic Parent Code of Conduct for United Schools. Failure to do so may result in disciplinary action including but not limited to immediate removal from the activity, suspension from the season, suspension from any activities, or suspension of your child from the team. The essential elements of character building and ethics and embodied in the concept of sportsmanship and six core principles: trustworthiness, respect, responsibility, fairness, caring and good citizenship. The highest potential of athletics is achieved when competition reflects these “six pillars of character”.

Therefore I agree:

1. I will not force my student to participate in United athletics or activities.
2. I will refrain from coaching my student or other players during games and practices.

3. I agree to provide timely pick up of my student following practices and games.
4. I will respect the officials and their authority during games and will never question, discuss, or confront coaches at the game field and will take time to speak to the coaches at an agreed upon time and place. (24 hour rule)
5. I will remember that student athletes participate to have fun and that the game is for youth, not adults.
6. I will teach my student that doing one's best is more important than winning, so that my child will never feel defeated by the outcome of a game or his or her performance.
7. I will demand that my student treat other players, coaches, officials, and spectators with respect regardless of race, creed, color, sex or ability.
8. I will promote emotional and physical well being of the student athletes ahead of any personal desire I may have for my own student to win.
9. I will not encourage any behaviors or practices that would endanger the health and well being of the student athletes.
10. I (and any guests) will be a positive role model for my child and encourage sportsmanship by showing respect and courtesy, and by demonstrating positive support for all players, coaches, officials, and spectators at every game, practice or sporting event.
11. I (and any guests) will not engage in any unsportsmanlike conduct with any official, coach, player, or parent such as booing, and taunting; refusing to shake hands; or using profane language or gestures.
12. I understand that any violation of this code of conduct will cause for dismissal, suspension, or permanent expulsion from future athletic contexts.
13. I have read and understand the expectations for the parent code of conduct at United sporting events.
